

Wildlife Watch!

During the half term, pick and choose which activities you would like to complete as homework. You will receive 5 diddy dots for each task completed and returned to school. All completed homework needs to be returned to school by Monday 23rd July.

<p>Draw a food chain for an animal you see in your garden or street!</p>	<p>Make a seed diary – draw pictures, take photos and write all about it.</p>	<p>Make a honey sandwich or honey pancakes and write instructions on how to make them.</p>	<p>Bees are endangered. Create a poster or a leaflet of another animal that is endangered.</p>
<p>Listen to the ‘Flight of the Bumblebee’ by Rimsky Korsakov. What instruments do you think are representing the bumble bee?</p>	<p>Beatrix Potter wrote a book about a hedgehog. Find out what it was called and read it.</p>	<p>Beehives have the 2D shape Hexagon in them. Draw 6 different hexagons.</p>	<p>Write instructions for your journey to school.</p>
<p>Write a poem about a bee or a hedgehog.</p>	<p>Make a mini-beast habitat diorama.</p> 	<p>Investigate a microhabitat in your area and write down what you find.</p>	<p>Find out the names of different types of hedgehogs around the world and the different countries they live in.</p>
