Tuck Shop is back!

From Friday 18th October, our tuck shop will be open again! At 2.30pm, every Friday, children who have brought in money for the tuck shop will be taken down to the main entrance by their teacher to buy their Friday treats! All the money raised from our tuck shop will go straight into our school funds. Thank you in advance for supporting us.

Kindness Challenge

We are joining the NSPCC this October and taking part in a Kindness Challenge. Brooke in Opal class came up with a fantastic idea to have some fun, whilst also donating some food to our local food bank. We are hosting a domino extravaganza, with a difference! We are asking that all our families buy one extra packet of cereal on their weekly shop and bring it into school. We are then going to stand the cereal boxes up like dominoes around the school and set off a chain reaction to create the domino effect! Once we've had our fun, we are going to donate all of the cereal boxes to our local food bank. Please bring in your cereal boxes by Friday 18th October ready for the challenge on Monday 21st October.

Introducing our new House Captains & Vice Captains!

As you know we have houses at school - Malala (yellow), Rosa (green), Attenborough (blue) and Elton (red). Each house has a House Leader (an adult in school), a House Captain from year 6 (last year's Vice Captain) and a Vice Captain from year 5.

The children who wanted to take on the role of a Vice Captain this year had to make a short video presentation explaining why they would do a good job. The videos were then played to each class and the children voted for their favourite.

The successful candidates were announced in assembly this week and were presented with a tie in the colour of their house by the House Captain. The standard of the entries this year was exceptional and the results were very close; so much so we even had a draw, so Elton have 2 Vice Captains!

Subject Champions

We also announced our new Subject Champions this week too. Each subject has several Champions who help the subject leader run it in school. In this role, children come up with ideas on how to make the subject exciting, how to showcase the best talents in school and they also look through workbooks to get an understanding about how the subject is taught and why across school. I am sure we will be hearing from our new Champions soon as I know we have some exciting events coming up!

Thank you to all of the children who applied for these roles, it is really lovely to see how enthusiastic and committed to our school they are.

Have a lovely weekend everyone!
