Investigating the Heart!

This week, our Y6s (and some of your Y5s) took part in a 'Bewsey Lodge first'; dissecting a heart!

The pig's hearts came frozen, from the butchers and the children worked together to observe, handle and dissect them. Using 'surgeon hands' and under the guidance of their teachers, the children embraced this challenge and were thoroughly immersed in what they were doing. I was lucky enough to be invited to join in and was so impressed with the vocabulary the children were using to name the different parts of the heart and the questions they were asking.

Experiences like this really help to consolidate the children's learning and I'm sure this will be one lesson they will never forget!!

We are so lucky to have teachers at this school who go the extra mile by delivering amazing lessons that give the children these unique experiences. I know it has already got some children thinking about their future careers!

Have a lovely weekend everyone!
