Mental Health Awareness

Who will be 'raisin' the most cash?

Elton House Captains have organised this fun-fundraisin' event again for the 2nd year. After the holidays, children will be given a free box of raisins to take home and eat. The House Captains are asking for you to fill up the empty box with your spare change and send it into school by 21st June.

All of the change will be counted and the house that raises the most money will receive 500 house points!! All money goes into the children's school fund. Thank you.

This week we have been thinking about mental health and ways in which we can promote good mental health and wellbeing in ourselves and others.

The children have been talking about the 5 ways to wellbeing and getting involved with fun activities to keep themselves upbeat and feeling happy. As part of this special week, children have taken part in a 10k sponsored walk to raise money for St Rocco's Hospice (getting active and giving). Many children have completed their walk during the sunnier days but sadly, the bad weather has meant that the field is yet again waterlogged so we couldn't use it yesterday for the big walk for the older children.

We are hoping that the first week back in June will be better weather for us so, when we return, we will pick a day, get our sports gear on and get the job done! We will let you know as soon as we can when this day will be.

Yesterday saw the opening of our 'Peaceful Place' Playground and we had some really important visitors to help us with the opening. Coaches and players from the Warrington Wolves Wheelchair Rugby Team cut the ribbon while Wolfie caused stir amongst the children!! This new space gives children a quiet, more relaxed area for their playtimes where they can read, chat, play quiet games or just be calm in their own space. It will be open to all children after the holidays.

Have a great break everyone!
