

Early Closure

Thursday 18th July at 3.00pm due to parent drop-in session.

Bikes in school

We have had a couple of incidents recently where parents have believed that their child's bike has been either damaged or taken from the bike shelter. Children are always supervised when on any playground in school during the school day and they do not go anywhere near any bikes or scooters however staff supervision does not take place before or after school. Please be mindful that bikes and scooters are left at your own risk and the CCTV that we do have currently does not cover this area – this is something that we are looking into addressing in September.

Water bottles

Recently we have seen an increase in children bringing juice to school in water bottles. Can I remind parents that, unless there is a medical reason why, only plain water is permitted in school.

Thanks, Mrs Williams

A Wicked Walk!

Yesterday, everyone took part in our sponsored walk to raise money for St Rocco's Hospice. It was a warm day but we didn't let it stop us! We had the music blasting, lots of water on-hand and chocolate biscuits for the finishers. This is always such a happy, positive event with the children and staff coming together having fun, having a chat and getting some steps in!

The children have raised a massive £812 so, when added to my fundraiser, we have raised a whopping £1482 for St Rocco's! Thank you so much to everyone who helped the children with their sponsorship; the hospice is such a wonderful part of our community and close to the hearts of many of our families. It makes me feel proud to be a part of such a caring community.
