### Name that Puppy!

Well done to Izabelle, in Sapphire class, who guessed the name of my new puppy.

After much discussion in our house, we all agreed on the name Beau!

Thank you to everyone who entered. We managed to raise over £20 towards school funds.

I am pleased to report that Beau is now sleeping though the night and working hard on his toileting! He has his final immunisation next week and once he is allowed out (and a little better behaved) I will bring him into school to meet the children.

Leila still remains our school dog, although she will only be in two days a week (with Mrs Williams) this term.

**PRIDE** in all we do:

**Perseverance Respect Individuality Diversity Equality!**

In our assembly this week, we reminded ourselves of our school values; Perseverance, Respect, Individuality, Diversity and Equality (PRIDE).

We truly believe that by instilling these values in our children, we are ensuring that they grow up to be the best version of themselves, whilst showing kindness and acceptance to others.

On a day to day basis, we are so proud to see examples of these values in our children's behaviour; whether that's being polite, listening to another person's opinion or not giving up when things gets tricky!

The children have been busy entering another competition this week; designing a poster to show our school values. The winners will be announced in our assembly next Monday.

A great example of perseverance was shown by two of our lovely members of staff last Sunday. Miss Paget and Mrs Boyne both took part in and completed the Cheshire Half Marathon!

There were challenges along the way but neither of them gave up and successfully crossed the finishing line! We are all extremely proud of them and the example they have set for our children.

I hope everyone has a lovely weekend!

Mrs E. Bailey
